

EXPERIENCE

Frontend Developer (Remote)

Jan 2021 – Present

Company: Kodez

Melbourne, Victoria, Australia

- Contributed to the development of performant and visually appealing user interfaces using React.js, JavaScript (ES2017), HTML, and CSS/SCSS.
- Gained 3+ years of hands-on experience as a Front-End React Developer, demonstrating expertise in Typescript and in-depth knowledge of React concepts.
- Successfully refactored technical debt to improve code maintainability and scalability.
- Engaged in pair programming sessions, fostering collaboration and knowledge sharing within the team.
- Participated actively in Agile/Scrum methodologies, ensuring smooth development processes and timely product delivery.
- Conducted code reviews, mentored junior developers, and organized learning timeboxes to promote continuous improvement.
- Collaborate closely with UX Designers to translate interface designs into seamless web-based user interactions.

Frontend Developer Intern (Onsite)

July 2020 – Dec 2020

Company: RaSoft,

Colombo, Sri Lanka

- Assisted in the development of user interfaces using React.js, gaining exposure to JavaScript (ES2017), HTML, and CSS/SCSS.
- Collaborated with the development team to implement web-based user interactions based on provided designs.
- Contributed to code reviews and actively participated in pair programming sessions to enhance coding skills.
- Engaged in technical discussions, gaining insights into best practices and industry standards.
- Acquired foundational experience in Agile/Scrum methodologies and contributed to sprint planning and refinement sessions.
